PRESS RELEASE 14.03.24:

Kickoff ancora YACHTFESTIVAL 2024

The ancora YACHTFESTIVAL 2024 is crossing the starting line

Yachting lifestyle filled with energy and positive vibes - this characterizes the ancora YACHTFESTIVAL in a perfect setting: with a fantastic ambiance at the 5-star ancora Marina in Neustadt in Holstein keen and curious visitors from Germany and neighboring European countries, as well as satisfied exhibitors: last year's boat show impressed.

In its 15th edition, Germany's largest In-Water Boat Show will in 2024 further elevate the enthusiasm for the future. It will be a yachtfestival where boats and yachts of all major brands from 6 to 24 meters will be showcased in an unprecedented variety.

The ancora YACHTFESTIVAL brings the yachting season to life directly in its natural element, the water. Visitors go on a journey of discovery on the 180 boats and yachts in the ancora Marina to discover the latest innovations in the industry and receive competent advice on equipment and accessories from 90 exhibitors showing their products in pagoda tents and in the exhibition hall. Advice, tips and tricks will be at hand and can be tried out in workshops and demonstrations on two stages. Sailors, motorboat enthusiasts - and those aspiring to be - can join entertaining expert lectures and panel discussions. At the YACHTFESTIVAL beach the latest fun sports equipment can be tried out, and numerous interactive activities allow water sports enthusiasts of all ages to get active, making the best use of the 56,000 sq m large marina and exhibition area.
